

**Henry County, Naturalization Records
in the Indiana State Archives, 1854–1929**

Indexed by Fred J. Engelking

The Indiana State Archives houses approximately two-thirds of Indiana’s naturalization documents. Volunteers from the Friends of the Indiana State Archives are indexing these important genealogical records by county. For more information about these records and indexes, see “Indexes of Naturalization Records on Indiana State Archives Web Site,” *The Hoosier Genealogist* (June 2000): 66–69; or M. Teresa Baer, foreword to *An Index to Naturalization Records in Pre-1907 Order Books of Indiana County Courts* (1981; repr., with new title and foreword, Indianapolis: Indiana Historical Society, 2001), v–vii. As they are completed, the indexes for the naturalization records are being published on the Indiana State Archives Web site, <http://www.in.gov/icpr/>. Contact the archives by mail at Indiana State Archives, 6440 East 30th Street, Indianapolis, Indiana 46219, or by phone at (317) 591-5222.

The majority of this index for Henry County appeared in parts from the 2004 through 2006 volumes of *THG/THG: Connections*. The index appears below in its entirety.
