## **Carthage Monthly and Preparatory Meeting Minutes (Rush County)**

*Edited by Ruth Dorrel and Thomas D. Hamm*

Carthage Monthly Meeting was set off from Walnut Ridge Monthly Meeting and first held Eighth Month 4, 1866. The meetinghouse is located at the south edge of the village of Carthage. The monthly meeting originally consisted of two preparatives, Carthage and Little Blue River. The latter was set off as a monthly meeting in 1884.

When Carthage Meeting was established in 1839, some Friends thought that the meetinghouse should be near the school, which was southeast of the present town. John Clark, a Friend and one of the founders of Carthage, took aside the clerk of the committee that was to recommend a site and offered to donate a lot in town. Whether Friend Clark had in mind the convenience of Friends or the value of his other town lots history does not record, but the meeting accepted his offer. A large brick meetinghouse built in 1881 and the burying ground are still at this location.

The monthly meeting records are in the Indiana Yearly Meeting Archives in the Friends Collection of Earlham College. These volumes have been microfilmed. A concerted search for early membership and marriage records was unsuccessful. To make up for this loss, we have included a list of families published in the 1889 membership directory of the Walnut Ridge Quarterly Meeting and a list of tombstones in the Carthage Friends Cemetery. The following minute books were examined for this abstract. Those indicated with an asterisk (\*) were microfilmed and are available in the Indiana Yearly Meeting Archives at Earlham College and the Genealogy Division of the Indiana State Library.
