

Society of Indiana Pioneers
Pioneer Ancestors Approved in 2006

Compiled by Evan Gaughan and Rachel Popma

The applications for membership in the Society of Indiana Pioneers and for additional lines of descent give lineage, tracing back to the pioneer ancestor, and dates to prove the pioneer's residences by the dates stated. In 1983 the Indiana Historical Society, in cooperation with the Society of Indiana Pioneers, published a list of approved ancestors accepted from 1916 through 1982. A second volume, containing a list of approved ancestors accepted from 1983 through 1999 was published in 2000. Both volumes are on sale via the IHS Basile History Market.

In order to provide current information about new pioneer ancestors accepted into the Society of Indiana Pioneers and about additional lines of descent, *The Hoosier Genealogist* published the list of ancestors approved the previous year in each spring issue through the 2006 volume of *THG: Connections*. Starting in 2007 these lists will appear in Online Connections on the IHS Web site. The list of ancestors accepted in 2006 appears below.

The Society of Indiana Pioneers permits inspection in person of the ancestor's source documentation. Send requests for application to Society of Indiana Pioneers, 140 North Senate Avenue, Indianapolis, Indiana, 46202. You may also visit the Society of Indiana Pioneers Web site at <http://www.indianapioneers.com/>.
