What ever the time of year, the Eugene and Marilyn Glick Indiana History Center is the ideal location to hold your corporate or social event. The special events staff of the Indiana Historical Society can assist you in creating the memories of a lifetime!

Awe your guests with the refinement and sophistication of Eli Lilly Hall, complete with its grand staircase, four-story vaulted ceiling, walnut columns, imported Italian marble floors and other unique architectural features. In addition to hosting a ceremony or reception, the room can be coupled with our canal-level spaces.

Enjoy the outdoor elegance of the Kruse Family Stardust Terrace, which provides a scenic and relaxed atmosphere along the historic Central Canal in the heart of downtown Indianapolis. Just inside the doors from the terrace is the Stardust Terrace Café, where you can dine and dance under a starlit sky amidst turn-of-the-century streetscape décor.
