## **BIOGRAPHICAL SKETCH**

Audrey J. (Alford) Marshall, was born August 10, 1934, in Denhoff, North Dakota, and died July 2, 2008 in Pendleton, Indiana. She married Gaylord Marshall on August 31, 1952. They had three children, Timothy, Robin, and Christopher. Audrey lived in Pendleton most of her life. She was a 1953 graduate of Pendleton High School. She was an interpreter at Conner Prairie for twenty-one years. She was a member of The Red Hat Society and Beta Sigma Phi Sorority.

Beta Sigma Phi is primarily a social and cultural organization that incorporates service as part of its activities. The motto for Beta Sigma Phi is Life, Learning and Friendship. The letters, "Beta," "Sigma," and "Phi" were the first letters of the Greek words for life, learning, and friendship. Service is done locally and internationally and is a tribute to the character of the members. The cultural programs are important in Beta Sigma Phi. They are the basic element of the organization. Through these programs each member is encouraged to grow personally, while at the same time participating in the growth of her sisters. They are designed to broaden personal knowledge and understanding of self, friends, and the world. As a member of Beta Sigma Phi it is in our nature not only to give the best that is in us to ourselves and our sorority, but to give the best that is in us to our world.
