SCOPE AND CONTENT NOTE

This collection contains one school register from Champlin School, which was located in North Township, Lake County, Indiana. It includes monthly reports from two teachers: Mary Harbaugh and Marvel McDonald. Mary's portion of the register covers the 1916–17 school year, while Marvel's portion covers the 1917–18 school year.

Each teacher tracked their students' attendance as well as their averages in the subjects of spelling, reading, writing, arithmetic, geography, grammar, history and physiology. At the end of the school year, Mary and Marvel each completed a final report as well as report to their successor that listed which students had been promoted to the next grade. They also each provided an overview of their teaching schedule and a list of visitors to the school.
