BIOGRAPHICAL SKETCH

Dr. J. Don Miller (26 February 1881-10 February 1960) was the son of Albert and Elizabeth Hopkins Miller and the brother of Lora Miller. He studied at Indiana University and married Maude Gertrude Cromer, a fellow IU graduate, on 31 October 1910 in Anderson, Indiana. By 1920, the couple was living at 3142 Broadway in Indianapolis, Indiana, and Dr. Miller was working as a physician at his own medical practice. He had previously worked as an associate in clinical medicine at the University School of Medicine. Dr. Miller and Maude had two children, J. Don Jr. and Jean.

Lora W. Miller (27 April 1883-27 January 1917) was the son of Albert and Elizabeth Hopkins Miller and younger brother to J. Don Miller of Anderson, Indiana. Lora attended Indiana University and the University of Wisconsin. He worked as a civil engineer for a railroad company in Chicago, Illinois, and was married to Flora Traylor, a graduate of Indiana University. Lora died tragically from injuries sustained during a work accident in which he fell off a railroad bridge.
